

Bostik's Hydroment StoneWall™ and Durabond D-65 Warranty

The following Bostik products are covered by this limited term warranty when installed in conjunction with FLEXSNAP™ by FLEXTHERM, Inc.:

- Bostik's Hydroment StoneWall™ 5 year limited warranty
- Bostik's Durabond D-65 5 year limited warranty

Limited Warranty:

All Bostik warranties require applicable ANSI A108 specifications to be followed, along with the proper procedures outlined in Bostik's most recently published literature for surface preparation, setting and grouting. Product must also be installed per **FLEXSNAP™** installation guide, provided by **FLEXTHERM Inc.**

In the event of breach of warranty, Bostik will pay for replacement of tile, labor and related finishing materials on a square foot basis only on the portion of the installation that is proven to be defective. This payment is to include all reasonable materials and labor. Bostik is not responsible for workmanship not in accordance with Bostik and **FLEXTHERM Inc.'s** most recently published literature or damages due to hydrostatic head. This warranty does not cover industrial applications subject to chemical and mechanical abuse or improper selection of tile. Bostik is not liable for damage caused by excessive structural movement; natural disasters, such as earthquakes, fires, floods and hurricanes; or for losses due to delays or any consequential damages.
